

2. **Sustainability Scheme.** Emphasize clearly in the proposal the sustainability mechanism of the project; maintenance of the proposed support facilities such as SCUBA gears, diving compressor, patrol boat.
3. **Roles & Responsibility of Project Stakeholders.** Should also clearly emphasize the active role of RPAB in the implementation and monitoring of the PRDP GEF projects and PPMIU to submit a timely report to RPAB member.

Relative hereto, may we respectfully request your office to inform the LGU and the PG to finalize the sub-project documents and proceed with the next steps of the Sub-Projects implementation and start preparatory activities for the commencement of the procurement process. Also please submit to us copy of the Implementation Management Agreement with electronic copy within 15 days upon receipt of this NOL.

Thank you and we look forward to the successful implementation of these Sub-projects.

Sincerely yours,

REMELYN R. RECOTER, MNSA, CESO III
Regional Executive Director, DA-RFO VI
Project Director
