ITEM	UNIT	DESCRIPTION	QTY.	UNIT COST	AMOUNT
1	lot	STRATO VENT HELMET (BLACK). Lightweight and comfortable design: - two-part liner, EPP (expanded polypropylene) and EPS (expanded polystyrene) for reduced weight - CENTERFIT feature allows perfect centering of the helmet on the head, thanks to its two side adjustment wheels - FLIP&FIT system allows the headband to be positioned in a low position, guaranteeing that the helmet fits securely on the head. The system folds into the shell for easy storage and transportation - comes with changeable absorbent comfort foam Protection designed for work at height and on the ground: - DUAL chinstrap allows the worker to adjust chinstrap strength in order to adapt the helmet to different environments: work at height (EN 12492) or on the ground (EN 397). The clip has two positions, corresponding to these two uses: high strength, limiting the risk of losing the helmet during a fall, and low strength, limiting the risk of strangulation if the helmet is snagged while the user is on the ground - shock absorption achieved through deformation of the liner - ventilation holes allow airflow through the helmet Head circumference: 53-63 cm Weight: 435 g	12	8,443.00	101,316.00
2	lot	FULL BODY/ASTRO BOD FAST RESCUE HARNESS (SIZE 1)BLACK. Gated ventral attachment point can be opened to efficiently integrate equipment:	6	30,453.00	182,718.00
