

Minimum Cutting Height: 9500 mm

Minimum Dumping Height: 9500 mm

Minimum Digging Depth: 6700mm

Cab: FOPS/ROPS enclosed with air condition and radio

3

UNIT

Brand New Hydraulic Wheel Type Excavator

2

7,630,000.00

15,260,000.00

Specifications:

with beaker and dozer

Engine Type: 6 cylinder, 4-stroke water cooled. Turbo-charged

Inter-cooling , direct injection diesel engine

Minimum Engine Power: 92kW (125hp)@2200 rpm

Minimum Operating Mass: 14000 kgs

Minimum Bucket Volume: 0.5 cubic meter

Minimum Bucker Digging Force: 85 Kn

Minimum Arm Digging Force: 53kN

Minimum Digging Height: 9000mm

Minimum Dumping Height: 6000 mm

Minimum Digging Depth: 5000mm

Cab: FOS/ROPS enclosed with air condition and radio

4

UNIT

Brand New Dump Truck

16

5,190,000.00

83,040,000.00

Specifications:

6-wheeler

Engine Type: 6-cylinder, 4 strokes, water-cooled, turbo-charged

inter-cooling, common rail electrical controlled injection

diesel engine

Minimum Engine Power: 180kW (245hp), Euro 5 Complaint

Minimum Displacement: 5.7L

Minimum Gross Weight: 15,000 kgs

Dump Box Minimum Volume Capacity 8.0 cubic meter

Transmission type: 8-forward/2-reverse with (PTO)

Steering Type: Hydraulic Steering with Power Assistance

Service Brake: Dual circuit Fully air-brake

Parking brake: Spring Energy, compressed air-operating on the rear wheels

Auxiliary Brake: Engine Exhaust-brake

Anti-lock Brake System: (ABS) Mechanical type + Cab: with air condition and radio

Tire Size 12.00R20(6+1) with 1 tire chain, attached each unit
