

6	Set	Municipal, Barangay and PAMB Resolutions	1	1,040,000.00	1,040,000.00
		<i>An imperative requirement of the Project is the approval or support of the participating LGUs, including barangays where the water source and major structures are to be located. A PAMB clearance will have to be secured for the Project for the establishment of intake structures and transmission pipelines at the Loboc Watershed Forest Reserve.</i>			
7	Set	Assessment Report of Existing Water System	1	3,120,000.00	3,120,000.00
		<i>The will determine the effects and impacts of BWSP to the existing water supply systems of the eight (8) LGUs. The study will also determine how BWSP will fit with the existing municipal water systems not only in terms of infrastructure but also to their operation, organizations set-up, financial and local budget impact.</i>			
8	Set	Draft MOA for Bulk Water Supply	1	910,000.00	910,000.00
		<i>Draft Memorandum of Agreement (MOA) between the BWSP/Provincial Government and the respective participating LGUs. The MOA will cover the responsibilities and obligations of each party, the scope of bulk water supply, operational mechanisms and the water rates/fees.</i>
